Prospectus.

ST. JOHN'S COLLEGE, conducted by the Priests of the Congregation of the Mission, is located in the healthiest part of the city of Brooklyn, at the corner of Lewis and Willoughby Avenues. The location being in the immediate vicinity of the various lines of Cars on Broadway, Myrtle Avenue, De Kalb Avenue, Gates Avenue, Flushing Avenue and Bushwick Avenue, renders the College easy of access from any part of the city.

The pupils are under the special supervision of the teachers from nine o'clock in the morning, till a quarter to three in the afternoon, and on Saturday till two.

Two examinations are held during the year; one in January, the other at the close; and reports are then sent to parents and guardians.

When a boy enters the Institution he is examined and placed in the class for which he is found prepared.

The time spent at the College being short is principally devoted to class; pupils are therefore expected to study their lessons at home.

Punctual attendance is required, and parents or guardians will always be informed of any failing on the part of the student in this respect.

The Collegiate year commences on the first Monday in September, and closes in the last week of June. It is divided into four quarters, commencing respectively on the first Monday of September, 15th November, 1st February and 15th April.

TERMS—PAYABLE IN ADVANCE.

Tuition, per Quarter, - - - \$20 00.
